ROYAL LIVERPOOL HOSPITAL POSTGRADUATE DENTAL

- Project Value: £106,000.00
- Project Type: Refurbishment
- Project Aim: Upgrade Student Facilities
- Project Completion: September 2014

ROYAL LIVERPOOL HOSPITAL POSTGRADUATE DENTAL

The brief was to convert three existing rooms into a large study space, this involved the removal of internal brick walls and ceilings and the installation of air conditioning and specialist lighting.

Multiple study benches were fitted and these were wired for both power and data.

New flooring, suspended ceilings and decoration completed the refurbishment.

This work was carried out adjacent to a very busy corridor and special attention had to be paid to the safety of the Dental staff.

The works consisted:

- ❑ Removal of all existing fittings and internal brick walls
- ❑ Removal of existing suspended ceilings and Installation of new suspended ceilings throughout
- ❑ Removal of existing lighting, power and data
- ❑ Installation of new lighting, power and data
- ❑ Installation of new flooring throughout
- ❑ Installation of new custom made work benches and full decoration
- ❑ Installation of new individual lockers
- ❑ Installation of wall mural depicting Liverpool Waterfront
