**KINGSWAY CAMPUS, UNIVERSITY OF CHESTER**

IED were appointed as the preferred electrical contractor for this project for the services required under the formal tender process.

The works were undertaken throughout the complex during the summer of 2007.

The project was delivered to the client as per the design and the university guidelines. Kingsway Campus is a specialist in drama, business and media studies.

The classrooms, art rooms, dance studios and performance stage facilities were introduced with a high specification.
