LIVERPOOL UNIVERSITY HOSPITAL 5TH FLOOR LAB REFURB

- **Project Value: £270,000**
- **Project Type: Refurbishment**
- **Project Aim: Lab to Office Conversion**
- **Project Completion: December 2020**

LIVERPOOL UNIVERSITY HOSPITAL 5TH FLOOR REFURB

We had the electrical Lighting & Power, Flooring, Decorations and Finishes, Joinery, Data Packages

The Programme was a 4 Week Turn round to Strip out 40 Offices, of all Decorations, lighting & Power, Floors, perimeter Benches containing Gas and Water, then removal of all Lab equipment dispose away from site whilst working through live offices and Corridors.

We re-decorated all 40 rooms painting the Ceilings, re-lay the Floor and re-wired the Lighting in Power changed all Office data and Corridor Lighting and tested on Completion.

The works consisted of:

- ❑ New Floors
- ❑ Electrical & Data
- ❑ New Painting
- ❑ Boxing in Joinery
