ATRIUM CAFE - COUNTESS OF CHESTER HOSPITAL

- Project Value: £62,000
- Project Type: Cafe Installation
- Project Aim: Facilities Improvement.
- Project Completion: December 2025

ATRIUM CAFE - COUNTESS OF CHESTER HOSPITAL

IED Disciplines

IED Installations Group was tasked with installing a new Café into a space on the ground floor of the newly built hospital that had not been earmarked for any use.

The Program ran for 6 weeks agreed with trust and coordination in order for a smooth transition from their existing café in the old building which was due to close.

- ❏ We coordinated directly with CCL solutions & the Trust to deliver: -
- ❏ New Worktops, counter, and IPS panels.
- ❏ Move over and connect all equipment from existing cafe.
- ❏ New wall with new door for access and security.
- ❏ New electrics including small power lighting and data.
- ❏ New hot and cold foods, drainage, and ventilation.
- ❏ New flooring.
- ❏ Box in existing electrical panel.
- ❏ Testing and Commissioning.
