ST HELENS & LIVERPOOL RUGBY CLUB

- **Project Value: £15,000**
- **Project Type: Changing Rooms Upgrade**
- **Project Aim: Facilities Improvement.**
- **Project Completion: December 2025**

ST HELENS & LIVERPOOL RUGBY CLUB

The club have expanded the facilities to build a new set of Mens and Woman Changing rooms due to mass expansion of Rugby Union, we worked with the Sports Council and Frank Rogers to assist with the design and installation.

IED Disciplines

IED Installations Group successfully secured the scheme as a Preferred Contractor to Frank Rogers Building.

The Programme ran for 2 Months delivered on time to Frank Rogers and Sports Council.

We coordinated directly with Frank Rogers to deliver:-

- ❏ New main containment.
- ❏ External Lighting
- ❏ New Secondary Containment for Access Control & Light Switching Supplies.
- ❏ Small Power.
- ❏ New LED Self-Test Emergency Lighting utilising the original Lighting Control
- ❏ Electrical Testing and Commissioning.
